

To whom it may concern,

My name is Julio Velez, I am the Engineering Teacher at Del Valle High School. I have the pleasure of knowing Andres since the start of the 2020 school year. During that time, Andres has demonstrated great work ethic and a positive attitude. His can do attitude and team building skills were also necessary and valued not just by myself, but by his classmates, who often relied on him to get the job done.

I believe that your program will benefit from Andres's great work ethic, team building skills and positive attitude.

If you need more information, please feel free to contact me at (915)434-3000, or by email at jvelez4@yisd.net.

Sincerely,
