

Good morning,

I am your son's English II teacher this year, and I wanted to express how well he participates and is an active and engaged learner despite the challenges of learning in a virtual setting. Andres's work ethic and positive attitude in class shows his commitment to learning. It has been a pleasure having him in my class, and he will be missed as the school year comes to an end.

Please let him know that his efforts in my class do not go unnoticed and congratulate him on my behalf.
